

GMC CASCADERS

February 29, 1988

Dear GMC Cascaders,

Cornets, trombones, and clarinets reigned supreme at the Cascader's recent rally in Aberdeen, Washington, for the annual Rain or Shine Jazz Festival. Although our numbers were small (only six GMCs were parked behind the bank this year) our enthusiasm escalated with each tootle and trill, two-step and twirl. Guests on hand for the weekend were RUTH and ROLAND WILBUR'S daughter SHERRYL and CHUCK MASLOWSKI'S parents JEWELL and ED LaCHANCE.

The music was exhilarating and toes seemed to tap of their own accord. It was hard to decide which was more fun - dancing or watching the dancing. Jazz regulars who follow the bands and festivals all over the West were easy to spot, never seeming to miss a beat or a set. Keeping up with the best of them were Chuck Maslowski and MYRA MITZEL. SHERRY SMITH even promised to join the umbrella parade next year if we'll help sew the sequins to her parasol. While we enjoyed the weekend, we missed the Cascaders who were unable to attend and hope to see many of you at LaCommer in April.

Due to the lack of a quorum February's meeting was cancelled but BOB FRY has a few items he would like to bring to your attention. First, at this writing sixty-seven members have paid their club dues. And last, ANYONE WISHING TO JOIN THE GROUP TRAVELING TO LAS VEGAS FOR THE GMC INTERNATIONAL RALLY AND THE SAN DIEGO FMCA RALLY SHOULD GET IN TOUCH WITH EITHER BOB AT 503-632-6953, OR JERRY PRYDE AT 206-779-9494, FOR DEPARTURE DATES AND TIMES.

May all your trips be safe and happy and we'll see you at tulip time.

Phyllis Pryde
