## OLD BUSINESS:

Greg reported again that he and other members had received many good and positive comments on the job that the GMC CASCADERS did in hosting the Western States rally this past August. We are all to be commended for a job well done.

RENEWALS; Greg urges all to get your renewal in early, it makes for much easier record keeping. You are only, one but we are 161, so please help by doing it now.

## NEW BUSINESS:

FIRST AID KIT; As the result of an unfortunate death at Western States Chula Vista rally it seemed a good idea that a first aid kit be carried. Retired nurse Luana Perry took it upon herself and assembled one of the most comprehensive first aid kits that we have ever seen. The club has purchased this kit and now will have available at each CASCADER rally and it is our fervent wish that it never be opened. Thank you Luana.

ELECTION OF OFFICERS; The nominating committee of Joe Baker, Grace Politiske and Henry Abrahams presented their proposed slate of officers for our fiscal year 1992-93 as follows;

President	Alex Birch, Jr.
1st Vice-President	Becky Ragsdale
2nd Vice-President	Earl Becker
Treasure	Ruth Diers
Secretary	Karen Birch
FMCA National Director	Lola Abrahams
Alt. National Director	Grace Politiske

With no nominations received from the floor for any office, this slate of officers was cast in unanimous ballot.

With no further business to be conducted it was MSP to adjourn.
